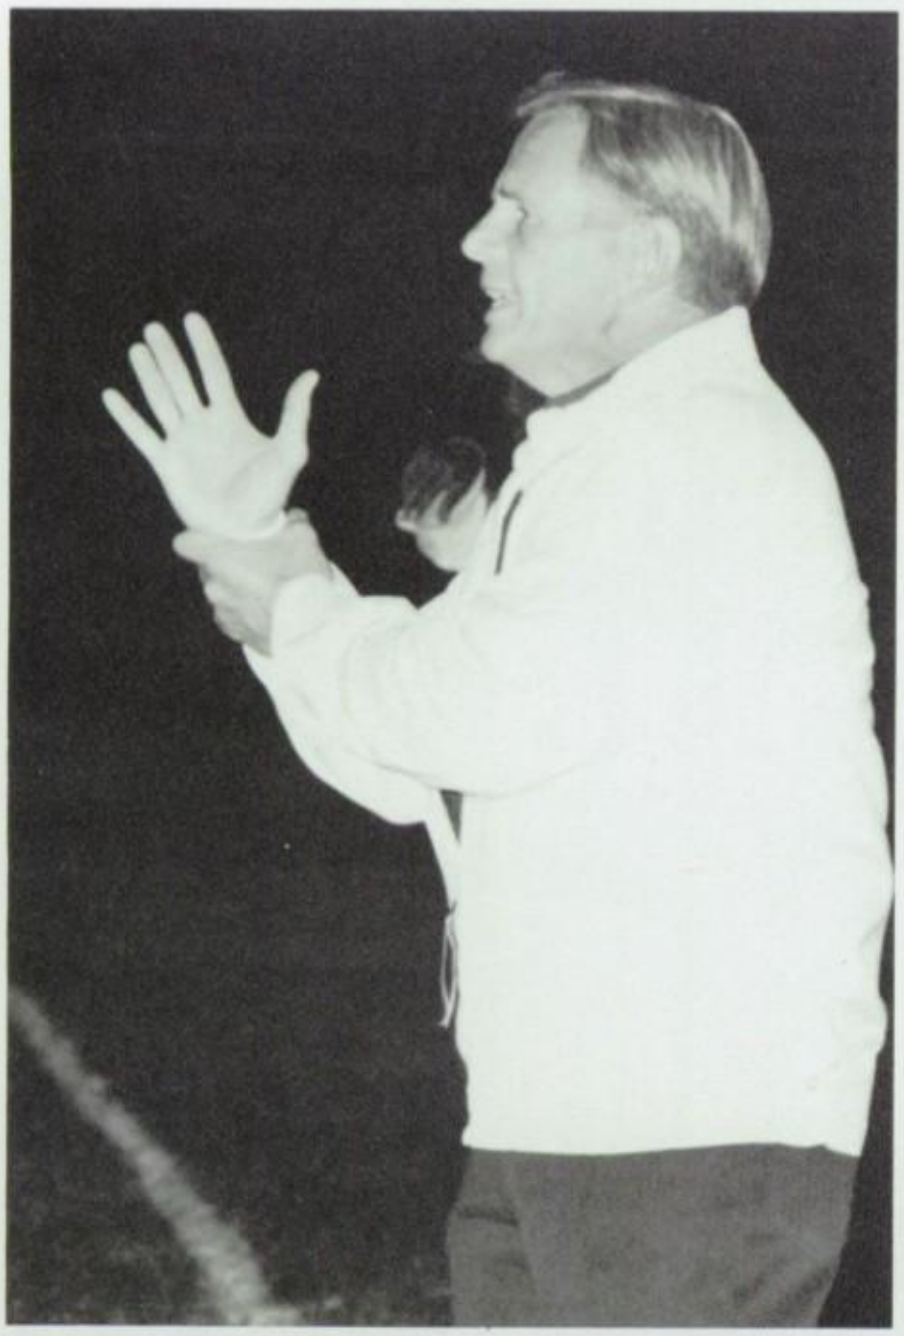
GREAT JOB GUYS

VARSITY FOOTBALL



The 1982 Middletown Cavaliers had a very succesful season. The opening game of the season was a loss to St. Elizabeths. The Cavs, however then defeated Cape Henlopen and Dickinson on their own field. Next, Middletown traveled to Glasgow where they played a very close game but were defeated. Not to worry because the Cavaliers whipped both Mt. Pleaseant and Wilmington at away games. Even though Claymont defeated Middletown. The Cavs showed who was boss against Howard and McKean, which were both home games. The last game of the season became a heartbreaker with A.I. d DuPont winning. The Cavaliers are sure to beat them next year!!!

A Look Back At MHS 1983

From the guy who's most likely to succeed
To the guy who finds it tough to read
The guy who parties himself into the ground
The musician who cares only about the sound
The basketball players and flashy dancers
The folks who think they've got all the answers
The guys that are loud and think they're a riot
The ones who love peace and quiet
The sexy young girls who give you a smile
and keep you wondering all the while
The guy who's lost without his transister
The guy whom you wouldn't trust with your sister
The cheerleaders who jump and wave pom-poms
The guy that always rank on your mom
The crazed wild animals who played football
The vandals who paint their art on the wall
The ones you love and the ones you hate
The ones you're too shy to ask on a date
All of the bad times and all of the good
I'd still do it again if I could
Our time at MHS we will always remember
Because we won't be back next September
